

Distribution of the 7 1/2% Sales Tax Collected in Westchester County

(As of March 1, 2004)

4.25% goes to New York State
0.25% goes to the MTA
1.5% goes to Westchester County

The remaining 1.5% is divided between the county, school districts and local governments that do not have a local sales tax (the cities of Mount Vernon, New Rochelle, White Plains and Yonkers have their own local sales tax), as follows:

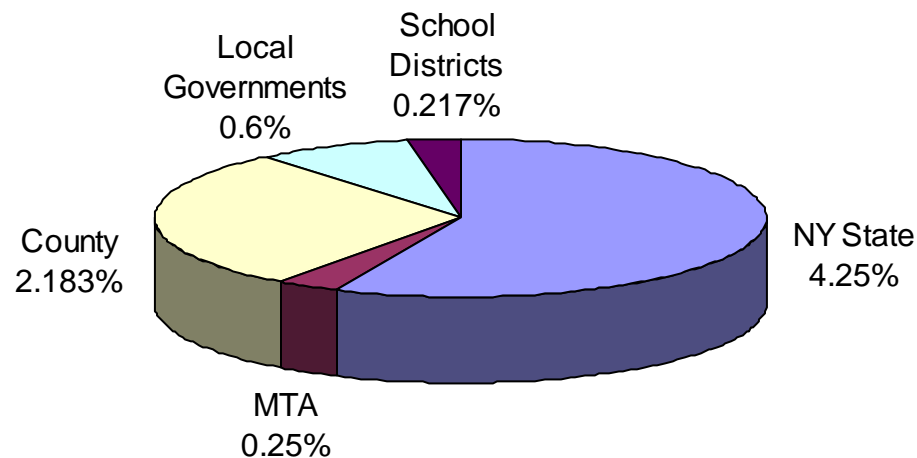

The first 1%:

- 0.333% goes to Westchester County
- 0.5% goes to local governments proportionately by percent of total population of all local governments
- 0.167% goes to school districts proportioned by percent of total population of all school districts

The final .5%:

- 0.35% goes to Westchester County
- 0.1% goes to local governments proportionately by percent of total population of all local governments
- 0.05% goes to school districts proportioned by percent of total population of all school districts
